## SJP's sexy smile rules in NYC

Sarah Jessica Parker's alluring smile matches her personality, says Dr. Jonathan Levine, founder of NYC's GoSmile. "Her teeth are a natural white and look healthy," he says.

## Julia is Cleveland's No. 1 smile icon

"A young-looking smile like Julia Roberts' is a classic," Dr. Jeffrey A. Young of Whole Life Dentistry in Lyndhurst, Ohio, says about the star's wide grin, which shows off almost all of her teeth. "It's nice, bright and attractive."

## Jennifer's super smile warms up Miami Beach

"Jennifer Aniston has a really broad smile," says celeb dentist Dr. Julio Hernandez of the Miami Institute in the Four Seasons. It shows off her perfect teeth, which aren't too Chiclet-white.
